

RECORD HOP FRIDAY FOR TEENAGERS

Favorite music of the teenagers as indicated by a recent survey among Torrance hepts will fill the Civic Auditorium Friday, March 8, from 8-10 p.m. The first in a series of Record Hops sponsored by the Torrance Recreation dept. will be for boys and girls who are in the 7th grade through the 12th grade.

The second in the series of Square Dance Round-ups will

Kite-Flying Contest Set

A city-wide kite contest will be held in the back of the Civic Center, Torrance blvd. and Madonna, Saturday, March 16, at 1:30 p.m., sponsored by the Torrance Recreation department.

Categories will include the smallest, largest, most unusual, and most comical kites, among others.

The event is open to all kite flyers. Some categories have been reserved for store-bought kites and the majority for home-made kites. Kites must be able to fly.

Kite-making classes are being held presently at the various parks. Many area contests have been scheduled for Saturday, March 9.

Areas which have a Saturday Recreation program include: El Retiro, McMaster, Sea-Aire, Torrance and Waleria.

Parks: Carr, Crenshaw, Greenwood, Hillside, Newton, Riviera, Steele, Sepulveda, and Waleria schools.

Sophomore Student Wins Prize

Sunday, March 3, Michael L. Mullen, Torrance High school sophomore residing at 1519 Post ave., won first prize in the senior piano division competition held at Long Beach State college.

This contest was sponsored by the Long Beach Women's Music club for the purpose of encouraging young students to further their musical education.

As winner of his division Michael will be presented in a concert for the Women's Music club at the Long Beach Ebell theater March 27.

He is a student of Dorothy Judy Klein, Long Beach, and has attended summer music camp at Arrowbear for the past three years.

Michael played the first movement of "Sonata Tragica in G Minor" by Edward MacDowell and "Nocturne in C Minor" by Chopin.

Class For Hungarians Started Here

Hungarians in the Torrance vicinity who wish to learn English may enroll in a special class at Torrance Evening High school, Tuesday and Thursday evenings from 6:30 to 9 p.m.

The class will be taught by Andrew Kovach, a teacher at Anza School, who speaks Hungarian.

Interested students may register in Room 104, Torrance High school, 2200 W. Carson st., Tuesday or Thursday evenings.

Hawaiian Film At El Camino Tomorrow

"Holiday in Hawaii," a new colored motion picture and colored slides of the Islands will be shown Friday, March 8, 8 p.m., at El Camino college in Administration Bldg., room 8. The public is invited to attend without charge.

Stanley F. Wilson, college instructor, who with his family spent last year in the islands on a teaching exchange with a professor of the University of Hawaii, will present the program.

In addition to recounting some of his experiences along with the pictures, Wilson will give information on the islands covering the cultural customs of the many races that make up the territorial population.

Flameless electric cooking keeps more juice in the meat

In roasting, juice is the secret of flavor—and flame is the enemy of juice

Flame

Electric

Here's why:

- ◊ **Flame needs air to breathe.** A flame-heated oven constantly inhales dry air, exhales moist air—literally cooks meat in a hot draft that evaporates good juices. And what is more disappointing than a fine roast without all its flavorful juice?
- ◊ **But when you cook it electrically,** there's no draft of constantly changing air. Because there's no flame. You cook in moist, not dry heat. Result? More juice stays in the meat... and it tastes better.
- ◊ **And electric cooking is cleaner.** Keeps your pots, pans and walls fresh and new. It's far cooler, too. Electricity puts the heat in the food, not in the kitchen. It's fast and automatic. Truly, electricity is the only modern way to cook. See your electrical appliance dealer soon.
